

## ENJOY YOUR VISIT!

### **Citations: cites.html**

I have several pages with literature "citations" on a variety of library topics. Also there are pages with links to full text articles and links to pages with other library citation bibliographies.

### **Web Publishing:**

Are you interested in creating your own website or learning more about library websites then visit:

### **webpubhelp.html & 4libwebmasters.html**

There you'll see links to help you register a domain name, learn html, learn about "useable" websites, and much more.

If you use your library website to market the library - You can find information for doing that on the marketinglibs.html page.

### **Staff Creations: create.html**

This page highlights the other side of library paraprofessionals - what they do off the job, and some of the things they have "created", writings, drawings, websites, etc. If you are involved in creative endeavors, or own a business etc - let me know and I'll put you in the spotlight.

## THE MORE YOU KNOW, THE MORE YOU KNOW

### **Photo Album: photopg.html**

Nothing here yet, apparently support staff are camera shy. Stay tuned, I may be putting up pictures soon.

### **Contact Information: contact.html**

I list "all" the ways you can get in touch with me.

Remember there are over 100 pages on the site..many more than I can mention here, but in closing..consider ~ After a long day, you may want to find some "stress reduction" tips, or motivational ideas to help you relax and/or inspire you to keep going when the going gets rough.

### Visit: **relaxsites.html**

Need some humor to brighten the day, then savor some of the creative sites on: **libhumor.html**

### **Other pages on the site have resource links for:**

Reading online & off,  
Books & quotes about libraries, librarians & reading,  
Shopping for the library lover,  
New roles that paraprofessionals are filling in libraries today,  
Library Happenings & Conferences.  
I'm always adding more.
